

Community Relations Policy #4600 - Use of School Facilities, Buildings and Grounds

General Philosophy

The Lyme/Old Lyme Board of Education wishes to encourage the community use of the Regional School District 18 facilities, buildings and grounds for meetings and events intended for recreation, self-improvement, community programs or other non-commercial uses consistent with the public interest, when such use does not interfere with the school program or school-sponsored activities.

The use of Lyme/Old Lyme Public Schools' facilities and grounds for school purposes has precedence over all other uses. Persons and/or organizations using school facilities and grounds must abide by school conduct rules of Regional School District 18 at all times.

The improvement of community living, one of the major objectives of public education, can be greatly enhanced by the use of these policies and regulations, which encourages the use of the school buildings and grounds by many and varied groups.

Building and Grounds Usage Application and Approval Process

All usage of Regional School District 18 buildings and grounds by non-school persons or groups require that a "School Buildings and Grounds Usage Request Form" be submitted to the Director of Facilities. Fee payments to Regional School District 18 and approval from the Director of Facilities must be obtained (based on submission of the "School Buildings and Grounds Usage Request Form" and appropriate fee schedules) prior to facilities usage.

Only organizations directly associated with Lyme/Old Lyme Public Schools (Regional School District 18) are **exempt*** from submitting the appropriate application. Examples of these exempt groups are:

- Regional School District 18 administered educational programs or activities.
- Regional School District 18 administration, faculty, staff, Board of Education or Parent Teacher Organization activities.
- Official meetings of the Towns of Lyme or Old Lyme and/or the activities and meetings of their departments or agencies, excluding Parks and Recreation.

PLEASE NOTE: **Any **exempt** groups wishing to use Regional School District 18 buildings or grounds must notify the Director of Facilities Secretary or the School Building Administrator's Secretary **at least 24 hours prior to facilities usage.** The Director of Facilities may deny an exempt organization request if the school district buildings or grounds are in use or otherwise unavailable.*
