

Dreaming of a **GREAT** Summer?
Time Spent at
Maritime Education Network

is guaranteed to put a **SMILE** on your child's face!

*They'll come home tired and happy -
smelling of sunshine, salt water & sandy beaches!*

MARINE SCIENCE EXTRAORDINAIRE

Entering Grades 4, 5 & 6

Step into our Marine Science Lab! Explore the habitats of Long Island Sound, bringing **live specimens** and other discoveries back to **investigate**. Explore the world of **Shore Birds**, migration & communication. **Discover how to be an aquarist**, studying animal behaviors, learning diet preference & how to maintain a healthy aquarium. In our lab, **conduct experiments**, use a **microscope**, classify finds and partner up to **identify** what's inside. Learn how **you** can become an **ambassador** for our amazing marine ecosystems and teach others the importance of protecting and preserving them. **Lots of FUN** while learning!

\$325/week 9:15 A.M. – 3:30 P.M.
