1. There are 6 balls placed at the centerline. During the opening rush (when the game starts), you may only grab one ball.
2. You are out if: 1) you step on or over a sideline, centerline, or backline; 2) a thrown live ball hits your body; or 3) you throw a live ball and it is caught by an opponent.
3. A thrown live ball can only hit out 1 player. Thrown balls that hit the ground, the wall, other balls, or other objects before hitting the opponent are considered dead balls, and are ineligible to hit players out.
4. If a live ball is thrown and caught, then the team that caught the ball can re-instate one of its exited players.
5. You may block a thrown ball with a held ball. However, if you drop the blocking ball during the act of blocking, or if you fail to make a clean block (as in the thrown ball still ends up hitting or grazing your body afterwards), you are out.
6. If you are out, you must immediately leave the court of play.
7. You can only hold a ball for 10 seconds, afterwards, it will be considered dead. Dead balls need to be rolled over immediately to the other team.
8. Games will end when all members of a team are eliminated. There is a 5 minute time limit for each game.
9. Each team will be guaranteed at least 2 games, as this is a double elimination tournament.
10. The top two teams with the highest number of points will play in the championship round.
