## Authorization for the Administration of Medication by School Personnel

Available for download at: <a href="https://www.region18.org/page.cfm?p=626">www.region18.org/page.cfm?p=626</a>

Connecticut State Law and Regulations 10-212(a) require a written medication order of an authorized prescriber (physician, dentist, advanced registered nurse or physician's assistant) and parent/guardian written authorization, for the nurse, or in the absence of the nurse, a designated principal or teacher to administer medication. Medications must be in the original properly-labeled container and dispensed by a physician/pharmacist.

## Self-Administration Of Medication Authorization/Approval

Self-administration of medication may be authorized by the prescriber and parent/guardian and must be approved by the school nurse in accordance with Regional School District #18 Board of Education policy. Only asthma inhalant medications and Epipens for Middle and High School students may be approved; only non-controlled medications for High School field trips may be approved for self-medication.
